

# CAPEWELL COMPONENTS

Capewell is a world leader in the design and delivery of Life Support and Aerial Delivery solutions for commercial and military aviation. The company was founded in 1881 and has been a supplier to military customers for over 125 years. Today, Capewell is a recognized designer and manufacturer of specialized cargo handling equipment, parachute safety equipment, and precision aerial delivery systems to the U.S. military and to customers around the world.

Capewell designs and manufactures Aerial Delivery equipment for C-130, C-160, C-5, C-17, & C-27J aircraft including air drop platforms, containers and cargo handling equipment used in military and humanitarian operations.

## AERIAL DELIVERY PRODUCTS INCLUDE:

- Type-V platforms
- Next Gen Precision Airdrop System
- Buffer Stop Assemblies (BSA)
- Tow-plates
- Center Vertical Restraint System (CVRS)
- Container Delivery System (CDS)
- C-17 Dual Row Airdrop System (DRAS)
- Outrigger Assemblies
- Joint Modular Intermodal Containers
- Helicopter Slings & External Lift

## LIFE SUPPORT PRODUCTS INCLUDE:

- Capewell parachute releases
- Frost canopy releases
- Parachute ripcords
- Electrical cable & wire assemblies

- Emergency Descent Devices used for evacuation from commercial & military wide body aircraft configurations

U.S. and foreign militaries utilize Capewell Life Support products on a variety of U.S. aircraft including: F-16, F-22, C-5, JSF, B1, B2, JPATS, as well as on many foreign aircraft.

Capewell also offers the Precision Air Drop System (PADS<sup>®</sup>). PADS<sup>®</sup> enables aircrews to increase standoff distance while delivering cargo and personnel from high altitude with greater precision than conventional methods.

Capewell's newest addition to its family of products is the Tactical Aerial Delivery System (TADS). TADS provide a user-friendly solution to deliver a wide variety of small, tactical motorized vehicles and cargo to remote locations.

Capewell provides the "total package" of design, manufacture, technical support and training.

Capewell is ISO 9000 and AS9100 Certified
